

In Memory of Vera Pullen (5/21/14 - 2/29/04),  
who crocheted 370 pair of mittens annually for the needy.

Use knitting worsted type yarn and a size H crochet hook. There is no gauge indicated so watch work closely. Always work in the BACK LOOP only, except the first and last stitch in each row; then go under both loops.

*\*Modified 1/13/06: Also go under both loops for the last sc before the ch when starting the Thumb, AND for the first sc after the ch. This will close-up the large hole that will otherwise appear between the thumb and forefinger when the mitten is worn.*

**Finish off:** Fold mitten in half and sew or crochet around side of hand and thumb. Sewing gives a fairly neat edge and can be done in same color. Crochet trim could be done in a contrasting color.
